14D	Ed	Cecil	Bowmen of Warfield	Longbow	Gent

UK Record Status ruling

As you are probably aware Archery GB ruled that all Archery GB (GNAS) record status shoots must have an equipment inspection.

This means that any archer shooting at any record shoot in the UK will have to get their equipment checked before the shoot starts.

Prior to assembly the archer should take his/her equipment (bow, arrows and tab) to a judge. The judge will then check your equipment.

Please remember that it is the archer's responsibility to ensure that he/she has the correct equipment.

To avoid any delay we would ask that you arrive in sufficient time to comply with this ruling. Thank you
